Ranney, of Kalamasoo, Mich., was lifted from the Prospect burying ground to-day and shipped to her former home. She was lost on the day express and the lady was recovered and buried among the unknown on June 13. A watch and other valuables which were preserved led to the identification. Another body, that of a woman, was recovered to-day. People were reminded very much of the first days of the flood by seeing wagon loads of coffins hauled through the street. Those remaining at the Millville Morgue were being removed to the other end

#### A POLITICAL PLAN.

There is a Fresh Candidate in the Field for Gubernaterial Henors.

ISPECIAL TELEGRAM TO THE DISPATCH.1 Youngstown, August 12.—A well-known member of the Executive Committee which managed the Democratic campaign of two years ago was in the city to-day upon a very important mission. Every endeavor was made to keep his visit a secret, but it was learned that he was here carrying out his part of a plan to secure the Democratic nomination for Gov-ernor for Hon. Frank Hurd, of Toledo, the well-known advocate of revenue reform. The well-known advocate of revenue reform. The parties behind the movement are the hearty supporters of the late administration who did not view with favor. Congressman Campbell's conservative course upon the Mills bill and during the last campaign. Mr. Campbell has so far had the lead among the party workers, and it became necessary to concentrate the strength of the opposition if he is to be beaten. Mr. Hurd has been selected as the most available man, because of his national reputation, and, while he is not a party to the scheme, it is understood that he will accept the nomination if tendered.

It is stated that Mr. Thurman and others of the party leaders have expressed themselves favorably upon the plan, and that a large number of delegates are already pleaged to support the Hurd boom at the proper moment. The state Convention meets on August 27, and shrewd workers are now visiting the delegates in the different counties and sounding their preferences.

Everything remained the same as when the Sheriff left the jail at 10 o'clock, and Huston's disappearance is as complete as if the earth had opened and swallowed him. Huston was brought to this city from Beaver Falls during the month of July. He is charged with robbing a man named Cross. His home is at Beaver Falls.

cut a dozen of her finest dresses into shreds.
She was placed in a hospital here, but escaped, and was for some time on the mountains. When captured, her feet were fearfully

# Indigestion

IS not only a distressing complaint, of itself, but, by causing the blood to become depraved and the system enfeebled, is the parent of innumerable maladies. That Ayer's Sarsaparilla is the best cure for Indigestion, even when complicated with Liver Complaint, is proved by the following testimony from Mrs. Joseph Lake, of Brockway

from Mrs. Joseph Lake, of Brockway Centre, Mich.:—

"Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered untold agony, was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and only the most delicate could be digested at ai. Within the time mentioned several physicians treated me without giving reliel. Nothing that I took seemed to do any permanent good until I commenced the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an improvement in my condition. My appetite began to return and with it came the ability to digestall the food taken, my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life."
